**Subject:** World Brotherhood Camporee Update

Dear Scouts and Parents,

This is it the last update before we go to the Brotherhood Camporee. First of all to the parents thank-you for your support. We know money and time are valuable. A bus would have made things much simpler, but in this case we felt the cost outweighed the time. We do understand that five hours in the car Friday and another five Sunday is a lot. If this camp is anything like last years then I'm completely sure it will be worth it.

Scouter Dan will be at the Tim Horton's on Trim and Watters. He will leave at 5:30 sharp. Many of you have indicated that you'll be departing on your own; Scouter Sue and I will be on site no later than 7:00. It will be dark before you arrive and following each other may be difficult. Please ensure you take the directions with you.

Take the 174 West to the 417 then to the 416 south to the 401. On the 401 head West to Exit 661 onto Hwy 137 towards the 1000 Islands Bridge. Cross the bridge (\$2.50 toll). You are now on Interstate 81. Take Exit 51 and follow the signs. Below is a link for Google Maps with directions.

[Map to Camp](#)

When arriving at the Camp we are at site 100 in loop E. From the tollgate follow the map below.

It is highly recommended that your Scout cross the border in uniform.

Given the time of travel, it is expected that the odd Scout may have an electronic device to entertain themselves along the way. It is highly recommended that they remain in your vehicle until the trip home. While we hate to think anything may happen at a Scout Camp, the tents will be left unattended for much of Saturday.

As I mentioned tonight, at last year's event there was a small canteen that sold small scout-related souvenirs and snacks. I would recommend between \$10-20 spending money.

Finally, if there should be any issues Friday, Scouter Sue's cell phone is 613-327-9408 and mine is 613-513-6701.

Yours in Scouting,

Scouter Jeff
